

NOTICE TO PATRONS:  
**THIS ESTABLISHMENT  
IS MAKE ME DAY SELF  
CERTIFIED**

**This is formal notice that this establishment participates in Make Me Day for the reasons set forth in the Declaration of Make Me Day.**

By entering these premises, you hold this establishment harmless and assume any and all personal risks you may reasonably believe operative by entering. You are free to wear a mask or not wear a mask.

We will not make you, and we will automatically assume you have a medical exemption from the Executive Orders of King Lamont if you don't wear a mask. We're not taking, examining or dealing with medical records so as not to run afoul of HIPPA.

Wash your hands. Use proper hygiene. Respect personal space. Use common sense. Stay home if you're sick.

We're not your parents and don't need to make you. We don't need to make our employees either, because they're adults. That's what adults do.
